The United States Department of Energy's (USDOE) letter 05-AMCP-0009, dated November 5, 2004, transmitted responses to the Washington State Department of Ecology's comments on the referenced work plan. Some of the comment responses do not reflect agreements reached during our comment resolution meeting held October 24, 2004. USDOE should transmit a revised set of comment responses reflecting these agreements within 30 days of receipt of this letter.

If you have any questions, please contact me at 372-7921 or Jennie Stults at 372-7956.

Sincerely,

John B. Price
